

**Partnership between
TheLorry and MyOpal Services
for TheLorry Vehicle Warranty**

Let's face it – paying for unexpected repairs can be a hassle and costly. To ease the inconvenience for our customers, Berjaya Sampo has partnered with TheLorry and MyOpal Services to launch TheLorry Vehicle Warranty policy that will cover all costs of repairs and replacement of valid parts on your behalf. Reinsured by one of the world's leading reinsurers (with an S&P rating of AA-), this policy is available to all of TheLorry's valued logistic partners – whether you own a lorry, truck, van or Hilux, we've got you covered.

TheLorry Vehicle Warranty protects you if your vehicle component fails suddenly or unexpectedly due to a mechanical and/or electrical permanent defect. According to the policy's terms and conditions, the policy also covers your need to perform immediate repairs of the component or substitute it, excluding wear and tear, normal deterioration, or negligence.
